CIRCULAR

Sub:- Pending PPOs

During the course of Administrative/Snap Inspections of the Treasuries of Jammu Province, it has been observed that a huge number of PPOs particularly issued on account of revision of pension vide SRO-222 by the Principal Accountant General are lying pending/unpaid in the Treasury ranging from one month to one year. It is not out of place to mention here that pension is a social security measure and it is a matter of grave concern that the old age pensioners are being deprived off their legitimate rights and the undersigned has taken a serious note of it. The scrutiny reveals that complete residential address and mobile number of the pensioner has been recorded on the pension revision document, as such, the pensioner can easily be contacted either telephonically or through registered post, whereas the Treasury Officers are quoting non-appearance of pensioners physically in the Treasury alongwith relevant documents as the primary reason for non-payment of revised pension/arrears. Furthermore, Treasury Officer concerned can himself devise a methodology to contact the pensioner.

It is, as such, enjoined upon all the City/District/Sub-Treasury Officers of Jammu Province to contact the pensioner telephonically and inform him to visit the Treasury alongwith the relevant pension papers so that the revision of pension in his favour can be cleared. Furthermore, it is also impressed upon all the Treasury Officers to ensure preparation of register of all the cases received under SRO-222 and disposed off by recording the entry in the PPO and also prepare a list of pending PPOs and paste the same on the office notice board for wide publicity and information of the pensioners. The actual payment on account of arrears/pension revision under SRO-222 is to be made by the Bank accordingly. The progress so achieved shall invariably be submitted to this office.

Matter Most urgent.
